

URGENT MEDICINE RECALL

Product – Savacol Antiseptic Mouth & Throat Rinse - Alcohol Free (300ml white bottle only)

Batch Numbers: All batches

Savacol Antiseptic Mouth & Throat Rinse Alcohol Free is a product formulated to reduce dental plaque, relieve discomfort of mouth ulcers and aid in the treatment of gingivitis.

This product has been sold only through dental surgeries since 2010.

The presence of certain micro-organisms has been found in some batches of Savacol Antiseptic Mouth & Throat Rinse Alcohol Free. These micro-organisms rarely cause infections in healthy people, however, under certain circumstances they may be harmful to people with compromised health.

Action

1. Consumers should immediately discontinue the use of this product.
2. Contact Colgate on 0800 441 740 or at www.colgate.com.au or email consumers_aunz@colpal.com to arrange for the product to be returned and for a full refund.

This recall affects only Savacol Mouth & Throat Rinse Alcohol Free sold in a white bottle. It does not affect any other Savacol Mouth & Throat Rinse product.
